

EXTENDED WARRANTY

Everyday closer to you.

We work together with you, to provide tailored solutions that are practical and effective for you and your business.

Our FPT Extended Warranty is made with the aim to provide a customized service solution to meet your needs.

In addition to our standard warranty, you can extend it up to 5 years.

Maximum coverage, no Worries.

Repair cost coverage up to 100%

In case of repair (excluding costs for damage caused by misuse) our program covers FPT Genuine Parts, along with travel and labour costs carried out by highly qualified Technicians of our network.

Orderable within standard warranty period

The Extended Warranty program can be requested at the time of engine order or within the standard warranty expiration date.

Tailored on your needs

For all our applications we have prepared some customizable packages to meet your specific requirements.
